Inspired by the saying, "No greater love has a man than this, that a man lay down his life for his friends," the people at No Greater Love sponsor programs of friendship and care for the sometimes forgotten—with emphasis on children, especially those of servicemen missing or killed in action, and on older Americans who live alone. No Greater Love created and coordinated the "Free the Hostages" yellow ribbon pin campaign during the Iran hostage crisis.

As you know, the date of the dinner honoring Frank Capra had to be changed from May 18th because of his wife's illness.

We want to again invite you to the award dinner on a new date. The dinner will be held on Thursday, September 23, 1982, at 7:00 p.m. in Room S-207 of the U.S. Capitol. The theme is "Mr. Capra Goes to Washington." Dress will be black tie.

Please let us know by August 16th whether or not you can attend. It is imperative that we know of your acceptance because of the limited seating in the room reserved for this event.

If you have any questions, please call Carmella LaSpada, our Board Chairman and the coordinator of this event.

We at No Greater Love sincerely hope you will be able to attend.

Per [redacted] regretted invitation originally for 18 May JMC.
